Hungerford Town Council's Environment and Planning Committee meets once a month. As a statutory consultee the committee can comment on planning applications submitted to West Berkshire Council for building, structures, alterations, and for other planning amendments that need the approval of the Western Area Planning Committee. Although it can influence the outcome of the application the final decision rests with the Local Authority.

When recommending a response to the Local Authority it will consider:

- The best interests of Hungerford, its residents, and the well-being of the town.
- Government and local authority guidelines including material considerations.
- Protection of the local environment being an area of Outstanding Natural Beauty.

- The town centre being largely a conservation area.
- Any changes requested to listed buildings.
- Advertising and illuminations including shop signs be kept to a minimum.

The Committee meets bi-monthly. The main areas of responsibility and interest are:

- The Triangle Field Sports Ground on Priory Road which is now owned freehold by the Town Council having been purchased from West Berkshire Council in 2015. The main user of the Triangle Field is the Hungerford Rugby Club and it is also home to their club house. Representatives of the club assist in the day-to-day management of the multi-purpose

sports field. It is available for hire for a wide range of sports including rugby, football, keep fit, boot camps or any grass orientated sport, and also for recreation and other community leisure purposes.

- The War Memorial Recreation Ground at Bulpit Lane leased to the Town Council by the Town and Manor of Hungerford in 1951. The site includes the lower playing field area adjoining the town's cricket ground, the Bulpit Lane children's playground, the skateboard park, the residential property known as Swimming Pool House and also the War Memorial Avenue and the Tragedy Memorial Garden at the entrance to this.
- St Lawrence's Churchyard in the Croft and St Saviour's cemetery just off the Wantage Road. These are statutory responsibilities and involve arrangements for burials and interments of ashes, the keeping of burial records and the repair and maintenance of both sites. St Lawrence's is a closed churchyard.
- The allotment sites at Fairfields and Marsh Lane. 24 allotments at Fairfields are being worked, each one pole in size. A larger site at Marsh Lane provides 108 plots of varying sizes from one to four poles.
- The Bridge Street War Memorial and its surrounding site, including the paved area and the adjoining trees, shrubs and garden land.
- The Croft Field Activity Centre recently acquired on a long lease from West Berkshire Council. The building is hired out regularly to a wide variety of users. Facilities for hire include: a main room with kitchenette, a second room (North Room) with sink, toilets and showers, a large field which is used for outside activities, overnight camping, fetes, markets etc.
- The Hungerford Youth and Community Centre in Priory Road. This is leased from the Academy Trust and managed on a day-to-day basis by a management committee which includes two Town Councillors.
- Smitham Bridge children's playground acquired in the 1980s when the adjoining site was redeveloped for new housing and the playground site was donated to the Town Council.
