

Hungerford Town Council training policy 2021

1 Introduction

1.1 Hungerford Town Council is committed to provide a level of training for both its members and staff to enable them to undertake their respective roles for the betterment of not only the Council and the Community it serves, but also the Councillor and Officer personnel development.

2 Training

2.1 Training is defined as “a planned process to develop the abilities of the individual and to satisfy the current and future needs of the Organisation”.

2.2 Learning can be categorised into the following:

- Intuitive – learning which happens by chance and we may not be conscious of it.
- Incidental – learning by reflection on particular events or activities.
- Retrospective – a system approach to reflecting on activities and identifying what we learned from them.
- Proactive – planning to learn from an activity, reflecting on it and planning to use what we learned.

2.3 It is anticipated that member/staff learning will reflect many of the above.

3 Training Aims

3.1 The Council’s training aims are the following:

1. To improve the understanding of its members, of their role as a local Councillor, the powers available to the Council and how best to utilise the resource available to the Council for the betterment of the residents it serves.
2. To provide the necessary training to its staff to ensure that they are able to undertake their respective roles.
3. To ensure an acceptable level of succession planning in order to:

1. Ensure the Council can operate effectively following local elections and potential changes to the Council membership.
2. Ensure the Council can continue to operate during times where staff may be unavailable (e.g. holidays, sickness staff turnover etc.)

4 Staff Training

4.5 The Clerk may suggest additional training any time.

4.6 All staff are encouraged to read regular publications such as 'The Clerk' and updates from council support services such as SLCC and NALC.

4.7 Any member of staff may apply to take qualification training. Authorisation and sponsorship will be dependent upon corporate and service priorities and each application will be considered on this basis.

8.4 An annual record of employee training will be presented to the Staff Committee.

8.5 In certain circumstances an employee may be required to provide a briefing note or discuss the training at a team meeting.

8.6 All employees are expected to keep their training record up to date.

8.7 The Clerk must be qualified if Hungerford Town Council is to be eligible to use the General Power of Competence.

The clerk must hold at least one of the sector-specific qualifications and should have completed the relevant training designed as part of the National Training Strategy for local councils. From April 2012, this training is undertaken as part of a clerk's preparation for one of the recognised sector-specific qualifications. Where a clerk studied for one of these qualifications before April 2012, they undertake the relevant training and must pass the short section 7 of CiLCA Portfolio Guide in order to be fully qualified for the purposes of the GPC (see below).

- The recognised sector-specific qualifications are:
 - The Certificate in Local Council Administration (CiLCA) awarded by the Monitoring and Verification Board (or previously by the AQA)
 - The higher education qualifications for clerks awarded by the University of Gloucestershire or its predecessor institutions, namely:
 - The Certificate of Higher Education in Local Council Administration
 - The Certificate of Higher Education in Local Policy
 - The first level of the Foundation Degree in Community Engagement and Governance (the Level Four course)
 - Any equivalent successor qualification

It is important that the council pays attention to the advice of its trained and qualified clerk when taking decisions to ensure that it acts lawfully.

8.8 The Clerk must obtain and record 12 cpd points annually if Hungerford Town Council is to be eligible for a Local Council Award.
