

NHS  
SOCIAL CARE &  
FRONTLINE WORKERS' DAY  
5 JULY 2021

*WE THANK YOU*

## News Release

We are proud to be involved in NHS, Social Care & Frontline Workers' Day on **5<sup>th</sup> July 2021**.

**Hungerford Town Council** is playing its part in **NHS, Social Care & Frontline Workers' Day** to celebrate all those who have worked so tirelessly to help our country through the Coronavirus crisis, and who continue to support some of the most vulnerable people in society.

We are organising the following local events to take place on the Town Hall steps, led by the Mayor and Constable:

**11 am Two-minute silence and playing of The Last Post and Reveille to remember those that have lost their lives**

**1pm The Nation's Toast to the Heroes of the NHS, Social Care and Frontline Workers**

We encourage everyone to take part at home to clap our heroes and listen out for the Church Bells:

**8pm Clapping our Heroes and the Ringing of Church Bells 73 times to represent each year of the existence of the NHS.**

This is a wonderful opportunity for us to pay tribute to all the local doctors, nurses, care workers and other frontline staff who played such a key role in saving lives and keeping essential services going when Covid-19 struck our country. Their commitment and sense of duty was an inspiration to everyone and this is our chance to say a huge thank you to every single one of them.
