I've really enjoyed September events. I had such a fun afternoon with the Eight Bells Mental Health team. Keith and I got the group and other members of the chain gang up and dancing to the Elvis tribute act.

The Rosemary appeal reception was so inspiring. The new ward will change the lives of so many.

Berkshire Visions AGM showed the impact the charity has on its members. I was so humbled by the stories of its members.

Hungerford Carnival was so much fun, it has fuelled residents to bring it back to the carnivals of old, I hope the promise of volunteers will see a regeneration of this much loved event.

Opening Hungerford Hub - YAY!!! We did it, nearly 3 years of campaigning and we finally got to celebrate and fulfil the dream.

The Elizabeth Cross presentation was an honour; I was delighted to meet the family of the awardee who was killed in action at just 19yrs of age. The officer is now trying to arrange a visit to the grave in Cyprus, as the family has never been able to travel there.
