Mayor's Report – August Full Council Meeting 2025

Cllr Helen Simpson – Mayor of Hungerford

Good evening,

Hungerford in Bloom

A heartfelt thank you to all residents who participated in this year's **Hungerford in Bloom** competition. We were absolutely delighted to see so many of you rise to the challenge, especially in what has been a long, hot summer with some tough growing conditions. Your gardens looked beautiful and full of life, and we appreciate the care and creativity behind each one.

Special thanks go to **Cllr. Winsor**, who continues to lead on this event with great passion, and to **Deputy Town Clerk Wendy**, whose hard work and coordination with Claire make it run smoothly.

This year we introduced a new category: **“Heart and Soul”** a wonderful way to celebrate those gardeners who may not have all the experience but give it their all regardless of plot size. Thank you to our independent judges, **Stella** (who kindly drove the team around) and **Claire**, who also worked closely with Wendy throughout the process. I look forward to celebrating with all the entrants at our awards presentation later this year.

Britain in Bloom

A huge thank you to **former Cllr. Gordon Montgomery**, who stepped forward to lead our first entry into the **Britain in Bloom** competition. Despite entering late, Hungerford rallied with its usual energy and pride. While we're still waiting for the results, what has stood out most is the incredible **community spirit**.

The ever wonderful **Smarten Up Hungerford team** continues to show why our town looks so loved and well cared for every single day of the year. We're incredibly lucky to have such dedicated volunteers.

There was a small hiccup in communication with WBC regarding our ambitions for the **roundabout at the town's entrance**. However, after reaching out to local artist **Dicon**, we're exploring the idea of the red kite sculpture he's been working on. More details (and a call for support) will follow soon.

Aldi Planning Application

We recently welcomed a representative from **Aldi** at one of our planning meetings. Hungerford Town Council is supportive of the application and has asked **West Berkshire Council** to work closely with Aldi's development team to resolve some highway-related concerns within the proposal.

Network Rail Partnership

Claire and I met with representatives from **Network Rail** to address maintenance issues around the station. We've agreed that HTC will assist in keeping the area tidy, provided Network Rail ensures it's safe for volunteers to do so.

We're pleased to report that clearance work has already started, brambles and waste behind the platform are being removed, making the space more accessible. Network Rail has also tackled the overgrowth along the path leading to town. This positive collaboration is especially welcome, as maintaining consistent dialogue has been difficult in the past due to staff changes. Thank you to **Town Clerk Claire** for her persistence and Network Rail for seeing our vision.

Hungerford Police and Community Safety

I recently met with **Sgt. Jo Willoughby**, our new police sergeant, to discuss community concerns and areas where progress has been slower than hoped. Sgt. Willoughby works closely with the Newbury antisocial behaviour team and is keen to make use of the full powers and legislation available.

In the coming weeks, I've requested a joint meeting with our **PCSO, social housing partners, HTC, District Councillors**, and the **Police**, with the aim of taking a more collective approach to tackling long-standing concerns. I'll keep you updated as this progresses. In the meantime, please continue to report all crime and anti-social behaviour.

John O'Gaunt Presentation Evening

What a delight it was to attend **John O'Gaunt School's** "Night Full of Stars" presentation evening. It truly felt like a mini-Oscars, and the achievements of the pupils were nothing short of inspiring. Congratulations to all the students and staff for putting on such a memorable and joyful evening.

Hungerford Hub Solar Panel Project

I was honoured to attend the celebration marking the completion of the **Hungerford Hub's solar panel project**. With this, the Hub has now achieved **carbon net-zero status**, an impressive milestone. HTC was proud to support the initiative, and we extend our warmest congratulations to the team.

Hungerford Theatre Company – Sweeney Todd

Despite it being one of the hottest days of the year, I thoroughly enjoyed the **Hungerford Theatre Company's** production of *Sweeney Todd*, hosted at JOG. It was a fantastic performance, and huge credit goes to the cast and crew for their stamina and professionalism under very warm conditions. We wish them every success as they move into their new premises. I look forward to their next show!

West Berkshire Community Hospital – Therapy Garden

I also attended a lovely event celebrating the **NHS community therapy garden** at West Berkshire Community Hospital. The **Lord Lieutenant** gave a warm speech and thanked the volunteers who care so lovingly for the garden, a truly beautiful and healing space.

A personal highlight was meeting the **therapy dogs** (who may have stolen the spotlight for me!). Many people spoke of the remarkable contribution made by **Christine Stockwell**, whose dedication continues to make a huge impact. Congratulations, Chrissie, and heartfelt thanks to you and your team.

To Close

As ever, I'm reminded just how special Hungerford is, full of people who care deeply, give generously, and take real pride in their community. Thank you to all who help make our town the wonderful place it is.

With warm regards,
Cllr Helen Simpson
Mayor of Hungerford
